

CCS Natural Stone Flake

CC Natural Stone Flake has an appearance that is a cross between stone, granite and polished concrete – a look that is very much on trend. Available in 10 stylish colours.

- Natural stone look
- Durable and hard wearing
- Interior and exterior applications
- Cost effective and attractive
- Seamless finish
- Easy to maintain
- Hygienic

Natural Stone decorative flakes are incorporated in seamless epoxy and polyurethane floor systems. A great alternative to other types of floor and wall coverings. Decorative, tough, low maintenance, durable and hygienic.

Suitable for floors, walls and other surfaces in any domestic or commercial situation.

Ideal for

- Driveways and paths
- Laundries and kitchens
- Offices and corporate environments
- Walkways and shopping centres
- Lobbies and entries
- Garages and workshops
- Workshops and laboratories
- Retail and commercial
- Gymnasiums
- Hospitals

CCS uses computer generated imagery (CGI) to provide graphical representations of our products where actual photos are not available. The colours and finishes of the products featured within all CCS imagery are as close to the CCS range as CGI, photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. We recommend checking your chosen colour against a sample of the product before purchasing as varying light conditions and limitations of the printing process affect colour tones. CCS are marketed and distributed by River Sands Pty Ltd ABN 41 009 919 215, trading as Concrete Colour Systems.
